

MAKE LIFE MORE INTERESTING

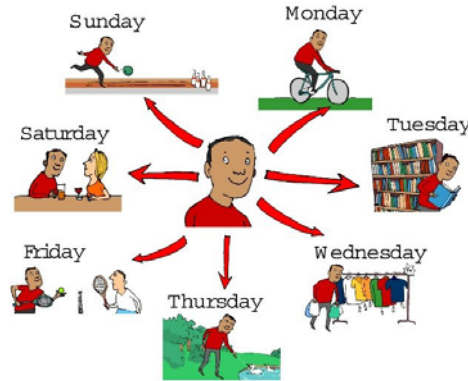

Choice
CHOICE SUPPORT

**Steven Rose –
Chief Executive**

Choice Support is a charity that only works with people with a learning disability

We think it is important to help people stay in touch with their family and friends and take part in their local community

Choice Support employ and train staff to the highest quality standards

Choice Support wants to make sure that the service users get a good service

Quality Checkers are people with learning disabilities who help to make sure that other people with learning disabilities get the support and housing that they need to live happy and full lives

21 service users were trained to become Quality Checkers
